

About GoVision

GoVision is one of the nation's premier suppliers of turnkey mobile LED units and customized modular LED walls. The company provides affordable, day or night video broadcast to outdoor and indoor events nationwide through state-of-the-art LED screens, a fleet of custom-built mobile units and a comprehensive suite of production services.

GoVision (www.jumbo.tv) has distinguished itself in an ultra-competitive industry through its relentless focus on exceptional customer service. This unwavering commitment has led to an extraordinary record of client retention – a feat made all the more impressive in light of the myriad risks associated with live performances, complex technology and often severe weather.

The Argyle, Texas-based company has likewise built a reputation as a pioneer of state-of-the-art video equipment, most recently introducing the world's largest high-definition mobile LED unit, dubbed "GoBigger." Its innovative partnerships with the Dallas Cowboys and Texas Christian University have enabled GoVision to amass the world's largest inventory of Daktronics 12HD modular rental equipment. Its professional staff offers cutting-edge technical services including full camera production, graphic generation and scoring and timing options.

GoVision offers two types of LED equipment that can be configured to virtually any size for events large or small, held either outdoors or in, day or night. Its rental fleet features screens to fit nearly any budget, including –

- *Mobile units* in three sizes: GoTron (9'x12'), GoBig (9'x16') and GoBigger (19'x33' high definition); and,
- *Modular screens*, which can be custom-built to different configurations and either stacked or hung for maximum viewing ability and flexibility.

Since 2002, GoVision's screens have enhanced the viewing experience at countless events in several key market segments, such as –

- Fairs and festivals
- Sports – golf tournaments, rodeos, auto and horse races, marathons, track meets, victory celebrations and a wide array of collegiate and professional events
- Religious – mega-church events, festivals, large gatherings (e.g., Billy Graham Crusades)
- Corporate – new product launches, trade shows, groundbreakings, presentations, sales functions
- Public sector events – inaugurations, commemorations, dedications, graduations
- Entertainment – music and comedy concerts and tours
- Promotional marketing tours
- Audio/Video production companies

GoVision L.P. has had a prominent role in several major national events, including the 55th (Bush) and 56th (Obama) Presidential Inaugurations, the Breeders' Cup, Olympic Torch Relay, Dallas Cowboys halftime shows, the Boy Scouts of America's 100th Anniversary Jamboree and the George W. Bush Presidential Library groundbreaking. It is the screen provider of the NCAA Final Four, Texas Motor Speedway, Dallas Cowboys Stadium Plaza, the North Texas Super Bowl XLV Host Committee, the University of Oklahoma and San Jose State football teams, and several PGA tournaments.
